

Happy New Year Volunteers

Many of your kids may need to replace worn out backpacks at this time of year. Fees are due for after school activities. We'd like to support participation through fee payments, equipment purchases or trip costs. Brainstorm with caregivers to determine any programs that might benefit your kids and fill out a quick grant request.

The Guardian Foundation is offering an incentive for teens to obtain a learner's permit or driver's license. A **\$25** award will be provided to eligible teens in recognition of this achievement. Encourage your teens to pursue this goal and fill out a grant form when you confirm their success. Refer them to www.keystoindependencefl.org if they have questions. The program will reimburse for the costs of driver's education, license and car insurance. Non-car owner insurance is also offered.
